### OWNER'S STATEMENT

MAIDEN TROTTER!!! This 3-Year-Old is a full brother to the good Swandre The Giant 2,1:54.2; 3,1:51.3 (\$655,368). He got very sick after his first qualifier, so he was turned out for the season. We planned to put him back in training, but my dad has had several health issues which make that impossible at this time. This BIG, STRONG gelding is an absolute sweetheart in the barn and has a classy way of moving. After being on the walker, we plan to jog him for about a month before the sale to allow the buyer to continue with him after the sale. He is eligible to several events late in the season, for which he could be ready. Don't miss this guy! For more information, please call or text (765) 215-6525 or email hoosiercharm@gmail.com

### OWNER'S STATEMENT

2 YEAR OLD MAIDEN!!! Here is an opportunity to acquire a young gelding pacer by one of Indiana's top sires, JK Endofanera. His mother, a 1/2 sister to Indiana Sires Stakes Champion, Flight Elal p,1:50.4 (\$578,311), has already produced Gitn Dronkonaplane p,1:53.2h (\$144,404), among others. He came up sick after a few starts at the Indiana fairs. The plan is to have him qualified, and possibly get a start in him before sale time. The family does nothing but get better with age, so he has lots of upside. This was the last horse owned by the late Pacey "The Wizard" Mindlin. **OWNER'S STATEMENT**

Here is a nice three year old gelding with a good attitude. I sold him as a yearling for \$50,000 and bought him back one year ago and had my grandson drive him in the buggy all that time, using a 10" collar, but he would go either way. He's a very will traveler and pulls the surrey or hack just as good as the buggy. If you could find any fault with him it would be that he nicked his back ankles a couple of times, but has been getting better with that as he gets older. This family gets better as race horses as they get older. So, he might be worth a shot at training him back. My 16 year old granddaughter drove him to Apple Creek and back just last week on St Rt 250 (12 miles) by herself.

# Attention Buyers

When a horse is consigned to any Blooded Horse Sales Company sale, a hold will be placed on the horse until payment is received satisfactory to the sales company. This hold, in accordance with the USTA, will prevent horses from being transferred, entered to race, eligibilities from being activated and foals registered, until Blooded Horse Sales Company releases the hold.

If you need to enter a horse shortly after the sale, be sure to pay in cash or cash equivalent so the hold is released.

## The USTA will be at the Blooded Horse Sale to process your paperwork

## **WARNING TO PURCHASERS IMPORTANT!**

Where Consignors report Futurity engagements of their youngsters a memorandum of these engagements is printed under the pedigree of each animal.

The Blooded Horse Sales Company is NOT responsible for any errors, misstatements or omissions in engagements so published in this catalog. The Consignor is the responsible party for all such statements.

There is no liability assumed by purchaser for any future payment in Futurity events. Payments may be made at purchaser's option, but must be made when due to keep the entry eligible. All payments when made are forfeits.

This Company does not agree to furnish Registration Certificates, unless same are furnished by the consignor of the animal sold.

When horses are registered, but no Certificate accompanied entry, the necessary transfers to obtain certificate will be obtained if possible without cost to the purchaser.

Where animals are eligible to the Register under the rules of the Trotting Register Association at time of sale, but are not registered, this Company will make every effort to obtain the necessary papers to register the animal, but does not agree to do so.

As this Company cannot tell the cost of obtaining certificates, due to the fact that it cannot tell how many transfers will be necessary, this Company will not attempt to obtain Registration Certificates but will send the necessary papers direct to the buyer, if it succeeds in obtaining same.

It often requires considerable time to obtain the necessary transfers, and is often impossible, due to lack of attention to correspondence, the many hands through which horses have passed and other causes, but every reasonable effort will be made to promptly obtain Certificates requested by purchasers.

### **WIN-RACES AND STATEMENTS AS TO ELIGIBILITY**

This Company does not and will not accept any responsibility as to the eligibility of any horse. Any statements regarding same is made by Consignor, who alone is the responsible party.

**THE BLOODED HORSE SALES CO.**
